Reconciliation

This week at RCIA we explored the sacrament of Reconciliation.

While Baptism washes away our sins, we know as broken humans we will invariably sin again.

When we sin our relationship with God is weakened, through the sacrament our relationship can be restored.

Regular celebration of the sacrament is essential to spiritual growth.

Before receiving the sacrament, we prepare by doing an examination of conscience.

During Lent, baptised RCIA Candidates will celebrate Reconciliation. To prepare we will use the Hallow app to do a guided examination of conscience.

Have you tried the Hallow app prepare for Reconciliation? What was your experience?

At RCIA there is a place for everyone!

Stewardship Bulletin Bit

"Love is patient, love is kind. It is not jealous, it is not pompous..."

(1 Corinthians 13:4)

Do you get jealous? Do you focus more on the things that other people have than on the gifts that God has given to you? Are you pompous? Do you acquire more possessions to impress others? At times we are all guilty of these things. Pray for more humility. Humility helps us become less "self-centered" and become more "God-centered" for the sake of others.

TF281: Dr. Brett Salked and John Jalsevac - Part 1

Dr. Brett Salked and guest John Jalsevac discuss how, though they have different initial instincts with respect to vaccination, reasoned engagement with the sources makes it possible to sift fact from fiction and find common ground.

"I haven't come to some moment of clarity in which the heavens have opened and I realized all the anti-vaxxers or all the pro-vaxxers are right. Where I've come to is a point where I realize that intense, mutually beneficial conversations by people who disagree on matters is desperately needed."

What to Love Got To Do With it? Dating and Sex Today

Tuesday, February 3 from 7:30 - 8:30 PM

As Pope Francis has said, "The desire to marry and form a family remains vibrant, especially among young people." Yet amid a popular culture that has undermined an optimistic view of marriage and created a distorted understanding of our sexuality, the dating landscape today offers a complicated maze of challenges instead. In this interactive presentation, Leah Perrault will speak with young adults about today's dating and the challenge of finding a meaningful relationship. This is a virtual event. Register [HERE](#).

For Better or Worse: The Gift of Sacramental Marriage

Tuesday February 10 from 7:30 - 8:30 PM

Recently Pope Francis wrote, "The sacrament of marriage is not a social convention, an empty ritual or merely the outward sign of a commitment. The sacrament is a gift." In this interactive evening presentation, couples will be invited to consider the gift of the sacrament of marriage in the best of times and the worst of times. This evening is for all married couples, whether you have been married for a few years or many. Register [HERE](#). Presenters Peter and Madeline Oliver are the co-founders of Olive Branch Marriage and Family Ministry.

Catholic, Separated or Divorced: Now What?

Tuesday, February 17 from 7:30 - 8:30 PM

In a recent document, Pope Francis spoke about the pastoral care of couples who are struggling in their marriages and the care of those who have separated or divorced. In this interactive evening presentation, participants will hear about the importance of resilience, grief, and healing, embracing the challenge in their current marital state to become stronger and grow in love wherever the path may lead. Register [HERE](#). Presenters Peter and Madeline Oliver are the co-founders of Olive Branch Marriage and Family Ministry.

The Joy of Love: Pope Francis' Vision of Marriage and Love in the Family

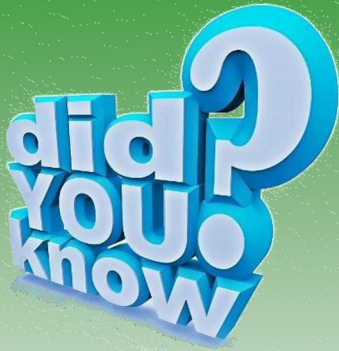

Tuesday February 24 from 7:30 - 8:30 PM

In a document entitled the Joy of Love, Pope Francis shares his vision of marriage and love in the family. Through the lens of mercy and love, he speaks realistically of the real struggles that couples face and the day-to-day challenges of family life; as well as, the beauty and gift of marriage and family life. Register [HERE](#).

During an evening presentation, Dr. Josephine Lombardi will break open the beauty of Pope Francis' vision and share with us the Joy of Love. Dr. Lombardi is a well-known Canadian theologian, author, and gifted presenter. She is a wife, a mother, and a teacher. This evening is sure to be a blessing to all who attend.

Companies that you KNOW you can trust!

There are more roads in Saskatchewan than any other Canadian province with 26,000km of highways travelling the length and breadth of the province. The total road surface totals 160,000km, which is enough to circle around the equator four times. With the large size of the province and the relatively low population, that means there is more road per person than the rest of Canada.
