Regina Catholic Schools Band Program Request for Donations of Used Band Instruments

The Band program at Regina Catholic Schools is a great opportunity for students to engage in a positive and productive group activity, learn to play a musical instrument, learn to read music, and to gain skills in working together – all within an inclusive Catholic education environment! In some instances, families need assistance in obtaining an instrument for their child to use in the program, and we are in need of instruments to lend to them. If you have a flute, clarinet, saxophone, trumpet, trombone, baritone, or percussion kit that is not being used, please consider donating it to Regina Catholic Schools for use by students who need them in the Band program. We are also in need of the following method books for all instruments: Tradition of Excellence Book 1 and 2, Standard of Excellence Book 1 and 2, and Habits of a Successful Middle School Musician. Being able to provide an instrument where assistance is needed will ensure that all students will have the opportunity to participate in the program now and in the future. Any donation of a Band instrument is eligible to receive a donation receipt (for tax purposes) for the value of the instrument. If you have an instrument to donate that may help a student participate in the Band program, please contact Jeremy at j.drotar@rcsd.ca.
