Welcome

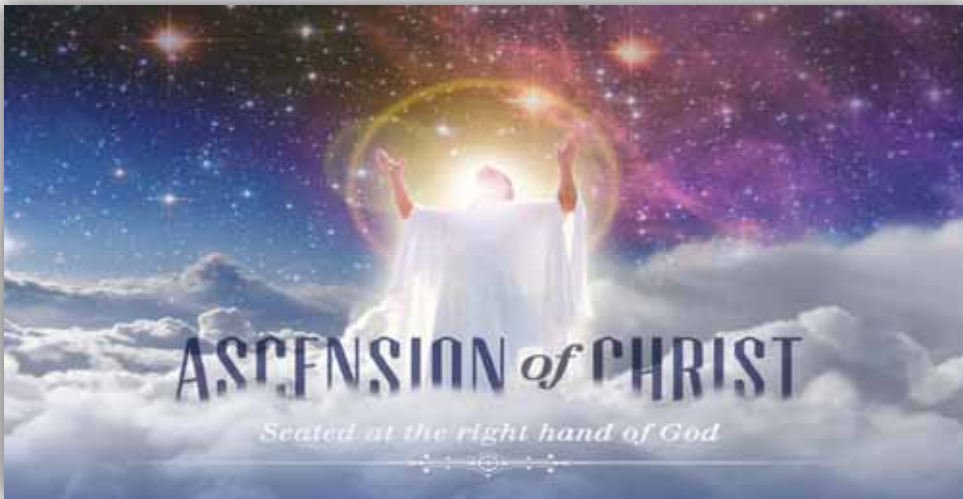

May 24, 2020 - 7th Sunday of Easter

(The Ascension of the Lord)

"I am praying for them..." (John 17:9)

Prayer is the foundation of our Faith and the foundation of Stewardship. Pray in good times and in bad. Prayer is always the first best option in any situation, not just the last resort. Pray for friends and family and for those that don't treat you very well. Pray to give praise, to thank, and to ask God for help. Pray to see what God wants you to do with the gifts He has given you.

Please see our website at www.ResurrectionParish.ca for information, directives and protocols regarding the COVID-19 Phase II opening of Churches for Mass

Numbers – Fun Facts in Scripture

Have you ever looked at scripture and thought there are some fun facts contained in those words?
Have you tried reading The Book of Numbers, only to skip past the census counts to get to the good stuff?

This week Deacon Joe showed us where to find some fun and interesting twists in scripture.
An open mind and heart listening closely to God can change everything as we read scripture, but can also open us in other ways to the world around us.

Did you know the Book of Numbers is the 4th book of the Old Testament and the 4th of the five books of the Jewish Torah?

There are many **interesting numbers** in scripture, for example:

3 is the divine number (Holy, Holy, Holy), **4** is the earth number

3 + 4 = 7, the covenant number in which heaven and earth embrace

3 X 4 = 12, the number of tribes, apostles

10 is the judgement number

4 X 10 = 40, the judgement of the earth (40 days and nights)

Have you considered the importance of the order of the creation story in Genesis?

Here's a fun fact: Plants need sunlight, water and minerals in order to grow and to make their own energy and food.

If plants do not get sunlight and yet have water and minerals they cannot produce chlorophyll. They will then die.

And then in the **scripture** we find the chronological order of the Genesis creation, God created light first (Genesis 1:3). He then created water (v.6), then soil (v.9) and then He created plant life.

We have been counting too! Counting days until we are able to celebrate the Sacraments of Initiation. Please join your prayers to ours, that not only will we soon be able to gather safely as a community, but also that we will soon be able to join you at the Table of our Lord.

Be present to the RCIA group by contacting us at rcia@resurrectionparish.ca. Let us know of fun facts you have noticed in scripture.

Dear friends of Birthright Regina,

Due to COVID-19 and the churches closing their doors, we have had to cancel our largest fundraiser of the year. Last year, we also struggled to reach out to parishes due to a shortage of volunteers. We are running out of funding, yet we continue to work with clients and in cooperation with other agencies, all with very few volunteers.

As you see in our stats table below, we continue helping expecting moms and their families, in increasing numbers, because more agencies have learned about us and are trusting us enough to send us girls and women who need help. This has been achieved through significant effort from our volunteers and donors. We work on the deep conviction that mothers facing an unexpected pregnancy and those who choose life in difficult situations deserve all the support they can get. We want to be here to offer them the loving, non-judgmental, and well-informed assistance that Birthright has been faithfully offering for 50 years.

We also believe that Birthright stands for the best values that our society can work for: unity, respect for every human being, love, understanding, sacrifice, and compassion. We want to keep offering life-affirming choices and assistance to expecting parents, and to share that message with everyone we can reach.

Please help us in any way you can:

- 1) Pray for us and those who need us.
- 2) Share this appeal with as many people who believe in what we believe in; and like/follow us on Facebook and/or Instagram.
- 3) Help us with your own fundraising, finding more friends who can volunteer and/or fundraise.
- 4) Consider making a donation via Paypal, Canadahelps, E-transfer (using our email: birthrightregina@outlook.com), or by mail:

VBS

For the health and well-being of all participants and volunteers, Rocky Railway Vacation Bible School will not take place in the traditional sense during the week of August 10-14 at Resurrection Parish. We are heartbroken that we cannot gather together under one roof to learn more about God's love for each and every one of us in this amazing faith and community building event.

However, as the saying goes, when God closes a door He will open a window! We are excited to announce that Resurrection Parish is teaming up with Christ the King and Holy Family Parish to bring an exciting virtual Vacation Bible School that families can do at home. It will be different but still a great time of learning and fun!! More info to come!

Thank you for your understanding during this uncertain time. Please continue to pray for the VBS - that God's message will still come through loud and clear to everyone - Jesus' power pulls us through!

Beginning on May 30th, we will be entering Phase II of the re-opening of our Church. While dispensation from the obligation to attend Mass remains in place as granted by Archbishop Don Bolen in his letter dated March 18, 2020, this will give those who wish an opportunity to attend Mass and receive Communion.

We will be celebrating daily Masses Monday to Friday at 7:00 PM; Sunday Masses will be celebrated on Saturday at 5:00 PM and 7:00 PM and on Sunday at 10:30 AM, 12:00 PM, 4:00 PM and 5:00 PM. Following the directives of the Saskatchewan Health Authority, attendance at all Masses will be limited to a maximum of 10 people (including the priest and others providing ministry) and will follow all the Archdiocese directives (found [here](#)).

The Livestream Masses will continue and are not included in these Masses!
In order to follow the directives that have been put in place the Mass will look a little different and will follow the diocesan guidelines.

Below we have presented in point form, what you can expect when you attend Mass.
We have also created a short video that will visually take you through the guidelines (click [here](#))

Arriving at the Church

Please arrive at the Windsor Drive entrance 15 minutes prior to the Mass to allow us time to go through an assessment with you. (Assessment found [here](#))

After you enter the Church

Hand sanitizer is available and is to be used as you enter the Church, and those wishing to use a facemask must bring their own.

There will be no access to the washrooms except for a medical emergency.
The cry room will be inaccessible.

Movement within the Church will be restricted to minimize cross-contamination.
The office will remain closed.

During the Mass

The sign of peace will be offered by a bow and verbal passing of the sign of peace.
There will be no communion from the cup.

During communion, the hosts will be laid out on a table in front of the altar. People will come forward to the table while maintaining appropriate distancing. As you approach the table, Father will say “the Body of Christ”, you will take one host, being careful not to touch the other hosts, and consume right away. You will then return to your seat.

After the Mass has ended

- Everyone will exit the Church using the door near the confessional.
- Please exit the church from the back to the front. Those nearest the exit door should exit first and while exiting, please maintain physical distancing.
- Near the exit there will be a bin on a table where you are to place the hymnal used for mass.
- Please practice physical distancing after exiting from the Mass

Mass Attendance Registration

You may sign up to attend Mass by completing the following registration form (click [here](#)).

We are blessed and fortunate to have such a large number of Parishioners here at Resurrection. To be fair to all random selections will be made and everyone will have an equal opportunity to attend. We will use the precedence of Acts 1:26 – “by casting lots”. Once everyone has had the opportunity to attend a Mass, the process will be repeated. We will be in contact with you to let you know the date and time for you to attend Mass.

We ask for your prayers and thank you for your patience and understanding as we move forward in this phase of re-opening our Parish.

There will be no confessions at the Masses, please call the parish office to set up an appointment.

ROMAN CATHOLIC ARCHDIOCESE OF REGINA OFFICE OF THE ARCHBISHOP

445 Broad Street N., Regina, SK, CANADA S4R 2X8
Tel: (306) 352-1651 Fax: (306) 352-6313 E-mail: chancery@archregina.sk.ca

May 20, 2020

To all people in the Archdiocese of Regina

Dear brothers and sisters in Christ,

These directives have been prepared, in consultation with a working group of priests and pastoral centre staff, with the following principles in mind:

- Spiritual and sacramental life of all people is a vital part of our existence as church.
- The care for the physical health of all people is vital.
- Understanding how the Covid-19 virus spreads, and the timeline of the virus within an individual, is important for preventing and tracking the disease it causes. A person may have, and transmit, the virus without any symptoms.
- Following the directives and recommendations of the Saskatchewan Health Authority is mandatory.

The guidelines provided must be met by every parish that wishes to open for Eucharistic gatherings, prayer, or any other form of devotions or sacramental ministry. Pastors and parish administrators have been provided with detailed guidelines for the celebration of the Eucharist. Where there is more than one way of doing something, the local priest, along with his staff or liturgy volunteers, should determine the best way for them to proceed, and communicate those directions clearly to their parishioners.

As with other places around the province and country, the return to gatherings in churches will require new habits and new ways of being present in a church. All people can help provide confidence in moving our churches forward into future phases of reopening if we show kindness, patience, and charity towards each other.

People who would consider themselves to be vulnerable and more high-risk for contracting Covid-19 will likely choose not to attend Mass or go to a church at this time. All people need to be treated with respect, compassion and without judgement, as to whether they choose to physically go to church or not.

Consultation continues regarding the celebration of the Sacraments of Initiation originally scheduled for Easter and late Spring, and for larger gatherings in churches. Information will be updated and communicated as soon as changes are made.

Phase I - Current

Dispensation from the obligation to attend Mass remains in place as granted by Archbishop Don Bolen in [his letter dated March 18, 2020](#).

All of the following may be taking place in our churches at this time as long as guidelines linked with each one are met:

- [Sacrament of Reconciliation](#), which may also be celebrated in an appropriate outdoor setting.
- [Private Prayer in Church](#) which may include Adoration of the Blessed Sacrament.
- [Sacrament of Baptism](#)
- [Funerals](#)
- [Sacrament of Matrimony](#)
- [Care for the Dying in a Health Care Facility or Home](#)
- [Offices may open](#) in a limited way (determined by parish) and meetings of less than 10 people may be held as long as physical distancing can be maintained at all times. Where larger meetings are required, or the required physical distancing is not possible, meetings are to be held by conference call or online platform.
- Gatherings for devotions and prayers may be held as indicated in the document [Private Prayer in Church](#). Prayers and devotions may also be carried out by telephone, conference call or online platforms.
- Contact with parishioners by phone or email should be made regularly.
- Daily Eucharistic celebrations continue at this time with just the priest present. If the Mass is being livestreamed, one or two other people may be present to assist the priest. The only parishes with exceptions in the Archdiocese, where more than one or two people are present, have sought the permission of the Archbishop.

Local health directives:

1. No more than 10 people may gather in one place at a time.
2. Individuals who do not live in the same household must maintain 2m distancing between each other at all times.
3. Participants should limit their contact with surfaces near them, and all surfaces should be sanitized when the gathering ends.

[Cleaning instructions for public places](#) must strictly be followed. Parishes will need to ensure that they are using an approved disinfecting solution.

Phase II – beginning May 30th

Dispensation from the obligation to attend Mass remains in place as granted by Archbishop Don Bolen in [his letter dated March 18, 2020](#).

Directives from Phase I continue to apply in Phase II.

Weekday and weekend Eucharistic Celebrations may expand to include up to 10 people (including the

priest and others providing ministry) following Archdiocesan directives. Local parishes have received detailed instructions with respect to liturgical celebrations and cleaning guidelines. Please follow the instructions provided at each parish.

Phase III - TBA

Dispensation from the obligation to attend Mass remains in place as granted by Archbishop Don Bolen in [his letter dated March 18, 2020](#).

Directives from Phase I will continue to apply in Phase III unless otherwise noted when we reach that stage of reopening.

Following consultation with local health authorities, Eucharistic celebrations may expand to include more people. The Re-Open Saskatchewan Plan allows for gatherings of up to 15 in Phase Three. All guidelines and directives will be updated to reflect the number of people allowed to gather in churches.

Leaders of faith communities province-wide have expressed their desire to enter into conversation with government and health officials to address a wide range of questions, reflective of the various categories of activities that are hosted in our places of worship. Among other things, we will be enquiring whether large churches, which can safely accommodate many more than 10 people while safeguarding a 2 m. distance, might be able to bring more people together. The people of the Archdiocese will be informed as further steps are able to be taken.

Perseverance to you all. The Lord is with us. Trust in Him.

Yours in the Risen Lord,

✠ Donald Bolen

"I am praying for them..." (John 17:9)

Prayer is the foundation of our Faith and the foundation of Stewardship. Pray in good times and in bad. Prayer is always the first best option in any situation, not just the last resort. Pray for friends and family and for those that don't treat you very well. Pray to give praise, to thank, and to ask God for help. Pray to see what God wants you to do with the gifts He has given you.
