## Reverence For Life Prayer

O Mary, to you do we entrust the cause of life. Look down O Mother upon the vast number of babies not born, on the poor whose lives are made difficult, on those who are victims of brutal violence, on the elderly and sick killed by indifference or misguided mercy.

We ask for the grace to accept the Gospel of Life as a gift ever new, and the courage to bear witness to it. To the praise and glory of God, the Creator and lover of life. Amen!

REVERENCE FOR LIFE MONTH

### Act to Make a Difference

Our faith does not stop at prayer and reflection. It sends us out to be a voice for life in our communities and in our country.

**Did you know?** MAiD does not just impact the individual requesting it. It affects families, caregivers, healthcare professionals, and our society as a whole. Family Physicians are expected to assess eligibility and initiate MAiD referrals, even when it violates their conscience, religious beliefs, or professional judgment. Pharmacists are required to fill prescriptions for lethal medications. Palliative Care Teams are sometimes bypassed or underfunded while MAiD services receive government support.

In Nova Scotia, a policy was passed in 2024 that forces doctors to refer for MAiD, even against their conscience, and advise patients when they qualify. Canada has legalized MAiD and expanded eligibility without clear protections for healthcare practitioners who do not want to participate in MAiD. According to the Church, Catholic physicians can not refer patients for euthanasia because to do so would violate the dignity of the human person.

**What Can You Do?** Take one simple step. It only takes a few minutes to send a message to your elected official asking for better access to palliative and hospice care and conscience protection for healthcare workers. As people of faith, we must speak up for policies that support life, dignity, and true care. We are reminded of Jesus' words, "whatever you do for the least of these, you did for me." We are called to protect the vulnerable and to advocate for a healthcare system that values life from beginning to natural end. Let us act with faith and love.

# *A Note on Prayer*

Prayer is a universal *human activity*. It can be found in every country, in every period of human history, at every age of life. It expresses the awareness of a relationship with a Being greater than oneself, distinct from oneself, present within oneself.

Christian prayer is clearly marked by *faith in God who has made himself known*, not only as the Creator of the universe, but as *Father, Son and Holy Spirit*. The faithful pray to the Father through the Son in the Spirit.

We learn to pray, just as we learn to speak, walk or sing. The Gospel offers a profound insight into this. Impressed by Jesus' prayer, the disciples ask him to teach them how to pray: he teaches them the "Our Father," with its two poles: God and humanity. Several other Gospel passages show Jesus at prayer, in close contact with his Father (*abba* = dad), jubilant under the action of the Holy Spirit (Mt 11:25-27), in anguish before death

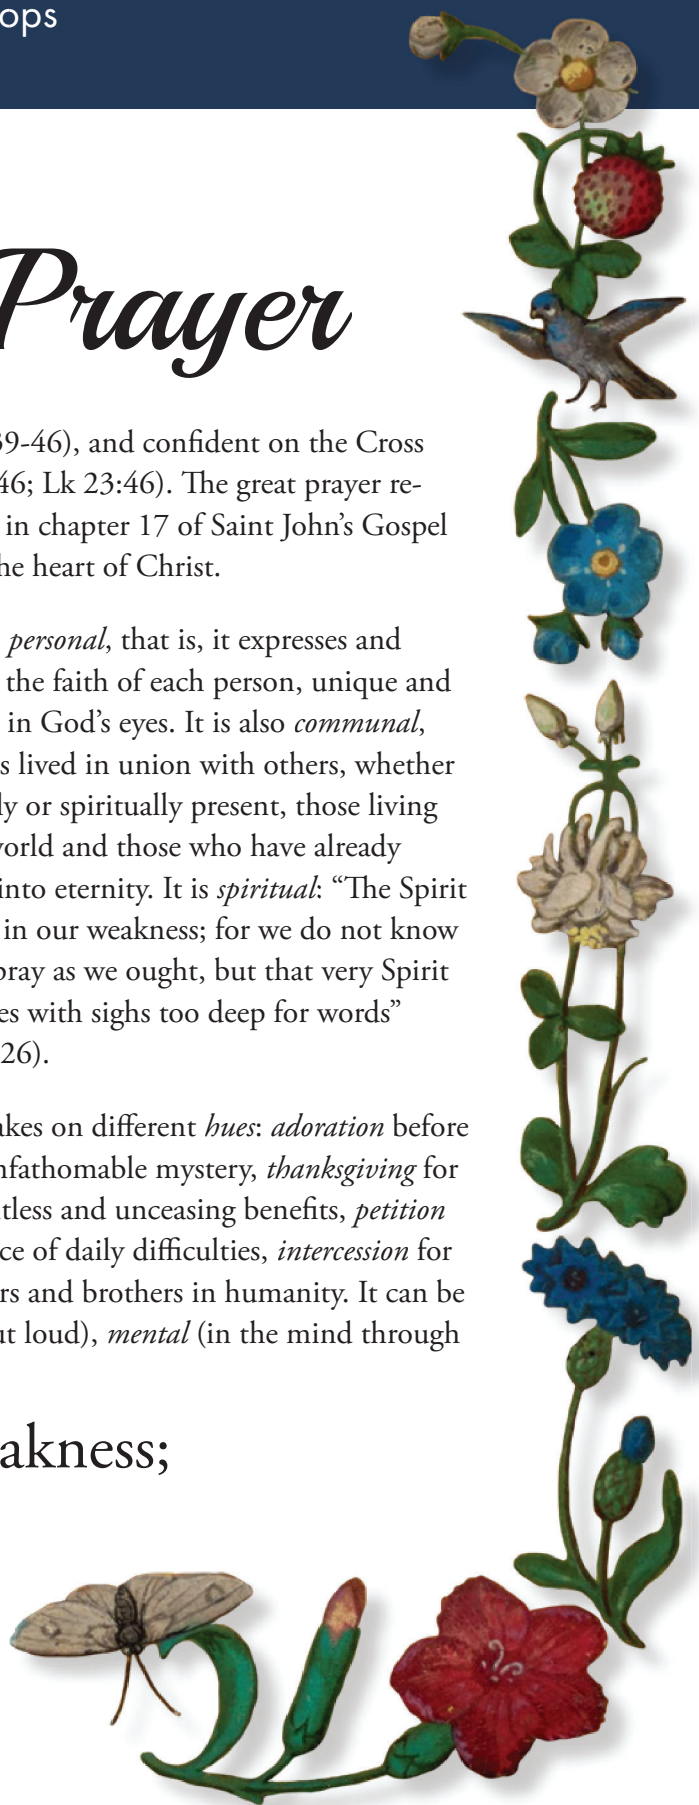

(Lk 22:39-46), and confident on the Cross (Mt 27:46; Lk 23:46). The great prayer recounted in chapter 17 of Saint John's Gospel reveals the heart of Christ.

Prayer is *personal*, that is, it expresses and enriches the faith of each person, unique and precious in God's eyes. It is also *communal*, since it is lived in union with others, whether physically or spiritually present, those living in this world and those who have already entered into eternity. It is *spiritual*: "The Spirit helps us in our weakness; for we do not know how to pray as we ought, but that very Spirit intercedes with sighs too deep for words" (Rom 8:26).

Prayer takes on different *hues*: *adoration* before God's unfathomable mystery, *thanksgiving* for his countless and unceasing benefits, *petition* in the face of daily difficulties, *intercession* for our sisters and brothers in humanity. It can be *vocal* (out loud), *mental* (in the mind through

The Spirit helps us in our weakness;  
for we do not know  
how to pray as we ought,  
but that very spirit  
intercedes with sighs  
too deep for words.

(Rom 8:26)

meditation); the body participates (seated to listen; kneeling to adore and implore), eyes closed and recollected. It has a daily rhythm: morning or evening prayer, the Lord's Day....

Prayer is *nourished* by the *word of God*, the Old and New Testaments, in particular the book of Psalms that Jesus himself used; it is also nourished by the liturgy, the privileged place of God's presence; by the teaching of the Church's *Magisterium*: for example, the *Catechism of the Catholic Church*, which devotes its entire fourth part to prayer (n. 2558-2865); in the life and experience of *the saints*, who are inspiring models and privileged intercessors, especially the *Blessed Virgin Mary*.

Prayer is connected to daily life, with its ups and downs. Jesus himself showed this when he rejoiced at the Holy Spirit's action in the humble (Lk 10:21) and when he trusted in his Father after the death of his friend Lazarus (Jn 11:41-42).

We can pray in different places: in nature, in the bedroom, in a church; alone, as a couple, as a family, as a Church.

The *cycle of the liturgical year* colours Christian prayer, from Advent to Christmas, from Lent to Easter and Ordinary Time, with the great mysteries of the faith (Creation, Incarnation, Redemption, Eternal Life) and the figures of the saints. The sacraments, lived out in prayer, are all essential places for this, with the celebration of the Eucharist and its extension, adoration of the Blessed Sacrament, at the forefront.

The official prayer of the Church (the liturgy of the hours), the recitation of the rosary, the stations of the Cross or other devotions remain important sources for the life of prayer. Gazing at the Cross of Christ, statues of the Blessed Virgin or other saints is a great help in fixing the mind. Sacred music can also inspire us.

The *Catechism of the Catholic Church* (n. 2650) states: "in order to pray, one must have the will to pray."

"Looking to Jesus" (Heb 12:2), the faithful can have their faces radiant and be transformed in him, as the experience of the Transfiguration (Lk 9:29) reminds us.

## In order to pray, one must have the will to pray.
