ARCHBISHOP'S
Appeal

A Future with Hope

"For nothing will be impossible with God."

- Lk 1:37

1st Reading: 2 Maccabees 7.1-2, 7, 9-14++ 2nd Reading: 2 Thessalonians 2.16 – 3.5 Gospel: Luke 20.27-38

In the ravages of wars and global crises, it might be tempting to ask the question of whether the end times are happening. As a people of faith, we believe in the second coming of Christ, but until he comes again, what should we do? That is the question posed to Jesus in the Gospel. But Jesus instructs that many people will say the end is coming, but we should be firm in our conviction that to be a people of faith means to be trusting that Jesus knows what he is doing. We encounter this trusting relationship in our parishes. When we gather for Mass, we listen to the scriptures, encounter and wrestle with the tensions of our lives, and then something miraculous happens: Christ comes to us! When we receive the Eucharist, our souls are nourished, and Christ supports us in our lives until he comes again to the entire world. Your support to the Annual Appeal directly helps parish ministries and the education of clergy and lay people. Please continue to be generous so that our parishes receive the resources and personnel to effectively spread the Good News and support our communities.

Our
Appeal

Where is Church?

Did you know that Church is the translation of the Greek word *ecclesia*, which is defined as “an assembly” or “called-out ones.”?

So while we assemble in a building and we call that our Church, it is really the people that are the Church and the building is simply a place we meet.

At RCIA we journey together with individual's who are deciding if they would also like to be church. Some our baptised, some are not. On this journey we celebrate many Rites which mark milestones in the journey as we move closer to Easter Vigil when “YES” will mark their time to become Church.

The first Rites in this journey will be celebrated on **Saturday November 19 at the 5:00 PM Mass**. Through the Rite of Acceptance, those who are not baptised will be accepted into the church and declare their intention to continue their journey. Through the Rite of Welcome, we will meet those that have been baptised and welcome them to continue their journey.

During each of these Rites the Candidates will be asking something of you. Will you be there to hear what is asked? Are you prepared to respond as Church?

Following Mass there will be an opportunity to meet the Candidates on this year's journey while sharing cake and refreshments. Please join us!

At RCIA there is a place for everyone!
Seeker or Volunteer – all are welcome!

This year we are celebrating 50 years of contributing to the musical life of our city and the province.

We will be presenting two works that span over 200 years. The first is the *Coronation Mass* composed by Mozart in 1779. This short, majestic piece has grand choral sections, beautiful solos for soprano, tenor, alto and bass, deeply moving duets, and a solo quartet bursting with energy and joy.

Our second piece, *Magnificat* by English composer John Rutter, was first presented in Carnegie Hall, New York in 1990. *Magnificat* is a musical setting of the canticle of the Blessed Virgin Mary (Luke 1: 46-55). The canticle is thought to be Mary's poetic outpouring of praise, joy and trust in God on learning that she was to give birth to Christ. The composition, sung in Latin, is in seven movements for soprano and choir, interspersed with "Of a Rose, a lovely Rose", an anonymous English poem.

In response, the Archdiocese of Regina has established a TRC Healing Committee, comprised of Indigenous and non-Indigenous members to seek concrete ways of carrying this out.

Stewardship Bulletin Bit

"...Rather, we wanted to present ourselves as a model for you, so that you might imitate us." 2 Thessalonians 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their words and actions, others do take notice. They notice because of the joy and peace that results and others desire this in their own life. Know that the way you live your life may be the only interaction others may have with our Catholic faith.

LESSON FOUR – Cracking the Catechism Code!

What is a brief history of the Catechism?

Many scholars think the first known Catechism was the Didaché. Also known as the Teaching of the Twelve Apostles, possibly written in the 2nd century AD. From an unknown author, the text survived as one manuscript with only 16 chapters, appearing to be the teachings written directly from apostolic preaching and perhaps the first Christian literary text and oldest catechism. Didaché is the Greek word that means “teaching”. The current Catechism of the Catholic Church originated from a Synod of Bishops in 1985. After 24,000 suggested revisions, Pope John Paul II officially approved the definitive version and publicized it on December 8th, 1992 with an apostolic constitution.

What does it mean to believe in God? Qu'est-ce que cela veut dire « croire en Dieu » ?

Becoming a Church of Closeness: The Challenges & Opportunities of Synodality

Catholics around the world want to respond to Pope Francis’ vision of becoming a “Church of closeness”. But what does it mean to live out synodality practically in the parish?

We get it — learning how to live out such a big and bold vision in a local parish isn’t always clear. This is why

Divine Renovation and Alpha invite you to our online event, happening Friday, November 18: Becoming a Church of Closeness:

Secular Franciscans – A Franciscan Vocation for Catholic Women or Men, Married or Single: Do you want to be a better Catholic? Draw nearer to God? Become more Christ-like? Perhaps you have a vocation to a of men and women, married and single, who live and work in the world, but who follow a way of life that’s faithful to the original Rule written by St. Francis of Assisi, but adapted to today’s circumstances. Members of the Order find direction, inspiration, encouragement and support to reach spiritual goals in a community (fraternity) of Secular Franciscans near your community. History: In 1209, St. Francis of Assisi established the First Order of the Franciscan family (Order of Friars Minor) for men. Later with St. Clare of Assisi, he founded the Second Order (the Poor Clares), and finally in 1221, he instituted the Third Order (Secular Franciscans) for men and women who were unable to leave their homes, families, or work. What is involved: Secular Franciscans do not take vows. Instead, they make a pledge (or solemn promises) to observe for life the Rule of the Secular Franciscan Order. Admission is open to anyone who is not already a member of another religious or secular Order, who is 18 years or older, a practicing Catholic of good moral character, peace-loving and faithful to the teachings of the Church and loyal to the Apostolic See. In addition to help in leading a spiritually rich and fulfilling Christian life, members of the Secular Franciscans also share in all the merits of the world-wide Franciscan family (over one million members today), benefitting from the Masses, prayers, good works, and sacrifices of all First Order Friars, Second Order Poor Clares, Third Order Regular friars and nuns, and brother and sister Secular Franciscans.
