Last week-end at Mass, the RCIA Candidates Amy, Brianne, Colleen and Justine were welcomed into the Church through the celebration of the Rite of Welcome.

This week at RCIA we started the next step on the RCIA journey – The Catechumenate Phase. In this phase we explore various Catholic teachings, beginning this week with a discussion on encountering God through scripture.

Beginning at Mass this week-end and at one Mass each week-end from now until Lent begins the Candidates

will be dismissed from Mass after the homily. At Dismissal, with the help of volunteer facilitators, the Candidates will break open the Gospel seeking to hear how God is speaking to them. While we feast on the Eucharist, they will feast on the Word of God until they are able to join us in communion at Easter Vigil.

#### Did you know that we are also Dismissed at every Mass we attend?

At the end of Mass, you will hear one of the following: "Go forth the Mass is ended", "Go and announce the Gospel of the Lord"; "Go in peace, glorifying the Lord by your life"; or simply, "Go in peace." And since we have learned to hear God speaking to us, our Dismissal serves a different purpose. Now that we are fed, when we are dismissed, we are being asked to go out and be a true witness of the Gospel to everyone we encounter in the coming week.

Did you know that the Dismissal at the end of Mass is found in 4<sup>th</sup> century documentation and may have originated from Mark 5:34 where Jesus says to the woman "Go in Peace"?

At RCIA there is a place for everyone!

# RCIA Candidates

My name is **Justine Cascanette**. I was born in Regina and grow up here. I am employed at FCC as a Learning and Performance Analyst.

My interests and hobbies are: listening to music, staying active (walking, hiking, running, kayaking, ultimate Frisbee), spending time with family and friends, watching movies.

A fun fact I'd like to share about myself is that I love vintage things!

I decided to seek out RCIA this year because I felt it was the next right step in my faith journey. So far at RCIA I have enjoyed being immersed in the community / church family, learning and growing in such a warm welcoming and open environment.

**I ask God's Church for true deep community.**

My name is **Brianne Cascanette**. I was born in Regina and grew up here. I am a full-time mom to my daughter Adara. I recently started working as the office and fundraising manager at Options Pregnancy Centre.

My interests and hobbies are: music (listening to various genres / time periods / decades), playing piano, watching movies, baking, taking walks with my daughter, reading (mostly non-fiction and books that help me grown in my faith and centre my life on Christ and his teachings), being with family and friends.

A fun fact I'd like to share about myself is that I love vintage items and items with a story. I recently acquired a gorgeous mid-century piano from its original owner!

I decided to seek out RCIA this year because in the past many months I have felt a pull to the Catholic Church, its unity, its teachings and its rich traditions and rhythm (with the liturgical year). This step in my faith is largely motivated by being a mom and wanting to seek out a rich, faith community for us to grow and live life with. So far at RICA I have enjoyed getting to know the people and feeling such a beautiful sense of community and acceptance.

**I ask God's Church for love and acceptance.**

My name is **Colleen Kozak**. I was born in Yorkton and lived in Esterhazy until I was 18 years old. I have a 21-year-old daughter in her fourth year at the U of R. I have been employed with Regina Catholic Schools for the past 15 years.

My interests and hobbies are: walking, going to the gym, making bread (yes, the pandemic nudged me to try) and making coconut cream pie for my family (yes, I stole the recipe from Emeril Lagasse and claim its my own ... lol).

A fun fact I'd like to share about myself is that this past summer I climbed to the top of a mountain in BC.

I decided to seek out RCIA this year because of my job as well as my personal journey. So far at RCIA I have enjoyed the fun games to "get to know" all the individuals in attendance as well as their kindness and support.

**I ask of God's Church for support, patience and prayers.**

My name is **Amy Safinuk**. I am married to my husband Brant and have 3 children, Sierra 12, Max 4 and Isla 2. I work as a teacher.

My hobbies and interests are Rider games, golfing and reading.

I decided to seek out RCIA this year because I was looking to find a community of faith for myself and my family. So far at RCIA I have enjoyed meeting everybody.

**I ask God's Church for support and understanding for me and my family.**

### Thank you for putting *People and the Planet First*

A major focus of Development and Peace — Caritas Canada's **People and Planet First** campaign is advocating for a law that compels Canadian companies to respect the human and environmental rights of local populations in their overseas operations. This fall, acting in solidarity with their brothers and sisters in the Global South, thousands of Canadians signed a petition asking the government to enact such a law.

On behalf of all those who struggle to preserve their land, lives, livelihoods and lifestyles, Development and Peace — Caritas Canada thanks you for your commitment and mobilization. Together, we act in solidarity with the protectors of the Earth. Together, we have the power to change lives.

## **Listening, Connecting and Walking in Solidarity: Reconciliation in Our Archdiocese**

Over the past months, we have been hearing about the recovery process of unmarked graves at Residential School sites in Canada, which has reached the consciousness of our church and the larger community in a new way. The pain and trauma caused by these schools has always been at the forefront for Indigenous Peoples, especially for Survivors who attended them. There is a renewed commitment in the church to support and walk with Indigenous Peoples on this path of truth and reconciliation.

We know that this will be a long journey, and we are prepared to do what is necessary to move towards right relationships with Indigenous Peoples. Listening, offering an apology, making amends, and walking together in solidarity with Indigenous communities will all play a part. The [Truth and Reconciliation Commission's Call to Action #61](#) will be a roadmap to draw upon. Those around us will be "watching our feet" to see how we fulfill our commitments to reconciliation.

Bishop Don and Sr. RéAnne Letourneau have been in conversation with Residential School Survivors, Elders and Indigenous community members, asking them about what solidarity and support is needed from their perspective. Here is some of what they have heard:

- That Indigenous spiritual leaders can assist in facilitating a way forward;
- That financial support should be prioritized for the needs of survivors;
- That a Regina-based initiative guided by survivors could help with healing and intergenerational trauma caused by Catholic-operated Residential Schools;
- That assistance would be welcome with work related to cemeteries connected with Catholic-operated Residential Schools;
- That building connections with parishioners of Catholic parishes, especially those near First Nations communities, are an important part of the reconciliation journey.

### **How can our archdiocese fulfill TRC responsibilities in a practical way?**

- We have created an archdiocesan TRC Healing Fund to receive the resources that will be used to help take our reconciliation commitments from theory to reality:
  - We will be offering those who have already donated to the Rebuilding Our Church Campaign the opportunity or redirect (or top up) a portion of their donation to go to the TRC Healing Fund;
  - We will be offering all parishioners the opportunity to support the TRC Healing Response Fund either when they donate to the Archbishop's Appeal or via a pew collection in December;
  - The allocation of funds that have been designated for justice work; and
  - The collection of online funds from the Sask Bishops Healing Response Appeal.

### **We are working with Indigenous partners on both a plan and the structures to support the plan:**

- Our intention is to invite Indigenous and non-Indigenous members to working groups for potential project initiatives for Regina and outside Regina;
- We are planning how to use TRC Healing Fund resources most effectively and transparently and with clear accountability.

As we create pathways and structures to build relationships and share resources in a good way, we are conscious of how important it is not to repeat the mistakes of the past. The main guidance on this journey must come from Indigenous survivors, Elders and spiritual leaders, with the church's role being to support, listen, connect, and walk in solidarity.

## Synod 2021-2023

The synodal process consists of the invitation and experience of encounter with the larger community of the People of God, embracing dialogue with those outside both our faith and cultural community, with those of different faith traditions, and with the entire human family to promote the flourishing of all. The call to “journey together” invites us to enter into relationships of listening and dialogue that engage shared and different realities, experiences of suffering and joy, to promote collaboration and foster the work of the Spirit.

Plans are underway to give parishes, organizations, as many individuals as possible the opportunity to respond to this theme over the next several months. Look for more information in your Parish Bulletin, in Archdiocesan communications and on the diocesan website:

## Journey Through Advent 2021

### CCCB Journey Through Advent Table Grace

Creator God, we acknowledge the truth. The Indigenous people shared their land with our ancestors and with us. They invited us to join them in caring for the land. We have not always done this and we have not cared enough about them. We promise to try to listen more to our Indigenous brothers and sisters. Help Pope Francis to listen with all his heart to the Indigenous delegates who will soon meet with him in Rome. Creator God, bless this food the land has given us, and help us all to live together in justice and peace. Come, Lord Jesus! Amen.

*May we learn to walk together, sharing custodial responsibility and stewardship for the land entrusted to us by the Creator, as worded by many of the Treaties, “for as long as the sun shines, the grass grows and the waters flow.” Lord, hear our prayer.*

### itwewin Corner (itwewin is the Cree word which means ‘the word’ or ‘as it is said...’)

Fr. John Weckend, Archdiocese of Regina Truth and Reconciliation Healing Committee

Did you know that ... Edith Anderson Monture from Six Nations, Brantford is celebrated as Canada’s first Indigenous registered nurse. However, she had to take her nursing degree in the U.S. since in Canada any Indigenous person seeking education beyond grade school was required to give up their ‘status’ which she refused to do. So in WW I she served on the front lines with the American Army Nursing Corps.

*“But when these signs begin to happen, stand erect and raise your heads because your redemption is at hand.” (Luke 21:28)*

We celebrate Advent each year in preparation for the birth of Jesus, His first coming, as we await His second coming. What will you do differently this Advent season to grow in friendship and love with Jesus? How will you inspire others to do the same? Start by sharing your God story with others, especially those closest to you. Invite and accompany them on their faith journey this Advent.

"...from a common good perspective...even if I'm a very healthy person and I don't think I'm going to succumb to a grave disease state, my contribution to getting vaccinated is really for other people as well in that, not everybody is going to mount that same immune response."

Gallagher opened the morning newspaper and was dumbfounded to read in the obituary column that not only had he died but also the local church had already scheduled his funeral Mass. He quickly phoned his best friend Finney.

"Finney, did ya see the paper?" asked Gallagher. "They say I died!"

"Sure I saw it!" replied Finney. "Where are ya all calling from?"
