National Health Care Week

From October 2 to 8, 2022 we mark National Catholic Health Care Week across Canada, recognizing the important work of Catholic health care organizations in our province and across Canada. At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and a commitment to serving all people, from all backgrounds and faiths—especially those impacted by trauma, stigma, poverty, and isolation. We pray for health care teams who have given much over the past years and continue to walk with all those who are ill, deeply troubled, weary and struggling. We are grateful for our Catholic health ministries as partners in the healing ministry of Jesus, fostering trust, promoting justice and respecting the dignity of every human person—body, mind and soul. Holding all those who are hurting in our hearts, we ask God to bless the work of Catholic health care and we offer our prayers, support, and encouragement for the people of our Catholic health organizations who serve with compassion and courage. You are encouraged to mark National Catholic Health Care Week with daily reflections and prayers. Please visit the Catholic Health Alliance of Canada website at chac.ca

Stewardship Bulletin Bit

“For God did not give us a spirit of cowardice but rather of power and love and self-control.” 2 Timothy 1:7

Many of us compartmentalize our Faith, we bring it out only when we attend Mass or when we attend a parish event. Being a good steward requires discipline and striving to put God first in everything - all the time. The next time you are at a neighborhood party or at work or out shopping, would your words and actions signal to others that you are a good and faithful servant of our Lord?

TF316: A Deacon's First Wedding - Part 2

Deacon Eric continues the discussion about what it was like to preside at the marriage of his daughter over the summer and how the vocation of marriage impacts not just married couples, but the world.

Show Snippet: *"That's one of the reasons I chose to speak not just to my daughter and my new son-in-law about this vocational calling, this missionary nature of marriage, but I specifically addressed all couples that were gathered there to remember that there's a mission, there's a purpose for you being together..."*

CHAS 79th Annual Convention

On October 27th - 28th, 2022 the Catholic Health Association of Saskatchewan will hold its 79th Annual Convention at Queen's House of Retreats in Saskatoon! Hospitality is such an important part of caring that leads to healing. This year's convention theme is Hospitality: The Link that Builds Community. We are very pleased to announce that Fr. Ron Rolheiser will be a keynote speaker. The convention will cover topics such as palliative care, addiction recovery, and care for people with dementia and it will feature panelists who will help us appreciate the steps we need to take toward reconciliation with our Indigenous and Metis sisters and brothers.
