Today marks the beginning of our 23rd Annual Archbishop's Appeal! The theme this year is "Hope: For nothing will be impossible with God". This year's financial goal is \$1.4 million. Let us live as people of Hope, waiting with expectation, knowing we serve a God who is with us always. Let us share that hope with others, and support growth in our Archdiocese through giving generously. This years goal for Resurrection Parish is \$95,343. From contributions throughout the year, we are already at 9.5% of our goal.

The readings at Mass speak to us about healing – both in physical and spiritual ways. We hear the account of Naaman the Syrian being cleansed of his leprosy in the Jordan. When he is healed, his faith is healed as well. The prophet Elisha helps him realize that his healing was a special gift of God, and not something that can be bought.

Saint Paul's letter to Timothy tells us that God is faithful to us. Sometimes the world we live in makes it challenging to live out the Gospel, but when we know that God is always with us, even if we reject that relationship, giving us the confidence to respond to His voice in generous and creative ways.

When Jesus heals the lepers in the gospel, only the Samaritan gives praise to him. Samaritans were bitter enemies of the Jews, and so it makes the encounter even more powerful. Jesus shows us that the love and healing mercy of God is available to all. With the generous support that the Annual Appeal receives, many ministries of healing are able to happen. With outreach to the poor, to spiritual care in our healthcare system, your financial support contributes to many people being able to hear the healing words of Christ and experience His love.

Did you know that you can send your weekly tithes and offerings now by e-transfer? Send them to finance@resurrectionparish.ca and they will be included with your annual tax receipt. If you would like to inquire about other ways of giving electronically, please email the Parish at finance@resurrectionparish.ca or call our office at 306-352-0800. Thank you again for your generosity in doing the Lord's work in our Parish, our community, our city, and beyond.

FR AUGUSTINE'S MISSION APPEAL MESSAGE

The year after I returned to Nigeria from mission in the United States and Saskatchewan (2016), I met a young man, Valentine, aged 32 at the time. He worked as a security man in a hotel where he was paid N20,000.00 Naira (less than 60 CDN \$) a month. That was not able to provide him with rent not to talk of feeding or transportation. So, he was technically unemployed. Keep in mind, there is nothing like welfare for the unemployed, or for anyone for that matter in Nigeria! You are basically on your own. Now imagine that this same Valentine had distinction when he finished High School (grade 12), he got admission to study Medicine but dropped out because he has nobody to help him with his tuition. He lost his father a few years earlier. He was depressed, confused, angry with himself, with society, and with God. I took him in, gave him a job to run errands, while we see if we could help him improve his skills to get a better job. Even though we doubled what the hotel was paying him, it was still like nothing. It could not get him off his feet to a better life. The only real help would be to get him back to college. We have many young people like Valentine in Nigeria, who are very brilliant, but have nobody to support them through school. What happens is that they grow up angry, delinquent, unemployed, and a problem to themselves, to their families, to society. **To add to this problem, most public universities, run by government, are always on strike such that it takes 8 years to graduate from a 4 year program! As of today, students have been at home for 7 months because of union strike by lecturers! Moreover, these Universities take only a fraction of the students that apply. Overall, the quality is very poor. Evangelicals run the highest number of private Universities. We lose many of our Catholic students that attend these protestant-run Universities.**

Dominican University came into being in 2016 to help solve these problems and provide good education to so many of our youths that cannot find admission into the few universities available. **This is where we can send some of these talented young people like Valentine.** Our goal is to change the story of people like Valentine so they can be part of the development solution for the country instead of being part of the problem. Like the yeast, they will help leaven the larger story of the country.

The cost of sending a Valentine to Dominican University in 2022/2023 Session is:

- A. 1 academic year: Tuition, Room & Board is N820,000.00 (\$2500 CDN)
- B. 1 academic year: Tuition, Room without feeding is N620,000.00 (\$1900 CDN)
- C. 1 academic year: Tuition only is N500,000.00 (\$1500 CDN)

My appeal is that you support us to send as many Valentines as possible to school and change their story and their future. Individually or collectively, we can be part of removing any number of youths from the unemployment and poverty list. This is one good way to participate in evangelization. Leave a legacy with us and your name will be immortalized in our University history book.

Bank: Affinity Credit Union #1101807 or drop your donation in a designated envelope at Resurrection parish. Please include your name and address. **Further inquiries** call or text: **Fr Augustine Ebido 1-306-510-1116** (emekaebedo@gmail.com, frebido@du.edu.ng.)

Background: Nigeria is a country in West Africa. Currently it has a population of 200 Million. There are about 370 ethnic groups in Nigeria, speaking about 500 languages. So English is the central language, along with Hausa, Igbo, Yoruba, the name and language of the three major ethnic groups. The country is divided in the middle between Moslem North and Christian South. Over the years, there are many Christians in the North, and Moslems in the Southwest. Christian Missionaries brought both Christianity and Western Education to Nigeria in 1800s firstly to Lagos, Southwest, and then to other parts particularly to the Southeast part of the country where I come from. Irish Catholic Missionaries brought education to the Southeast. They were supported by potato farmers in their home country. Dominicans came to Nigeria in the 50s to help evangelize the North, and South of Nigeria. The pioneers were American Dominicans. We are now working in the US and Canada as missionaries ☺

Stewardship Bulletin Bit

“Has none but this foreigner returned to give thanks to God?” Luke 17:18

Most of us live relatively “easy” lives. We have food, shelter, clothing, and money. We go on vacation every year and own a car or two. Most of us take this all for granted. Did you ever notice that people with the least amount of possessions are usually the most grateful? Shouldn't this be the other way around? Take time every day and thank God for all He has given you and discern how He is calling you to share your gifts.

The Archdiocese of Regina is located on Treaty 4 Territory, the traditional lands of the Nêhiyawak, Nahkawé, and Nakota, and homeland of the Dakota, Lakota, and Métis peoples.

Archbishops Appeal

The readings at Mass speak to us about healing – both in physical and spiritual ways. We hear the account of Naaman the Syrian being cleansed of his leprosy in the Jordan. When he is healed, his faith is healed as well. The prophet Elisha helps him realize that his healing was a special gift of God, and not something that can be bought. Saint Paul's letter to Timothy tells us that God is faithful to us. Sometimes the world we live in makes it challenging to live out the Gospel, but when we know that God is always with us, even if we reject that relationship, giving us the confidence to respond to His voice in generous and creative ways. When Jesus heals the lepers in the gospel, only the Samaritan gives praise to him. Samaritans were bitter enemies of the Jews, and so it makes the encounter even more powerful. Jesus shows us that the love and healing mercy of God is available to all. With the generous support that the Annual Appeal receives, many ministries of healing are able to happen. With outreach to the poor, to spiritual care in our healthcare system, your financial support contributes to many people being able to hear the healing words of Christ and experience His love.

Show Snippet: "In English, hope means 'wishing'. "I hope the Roughriders will get a playoff spot..." and, I mean, that's nice, that's part of hope. But not by far the strength, the core, the heart of what hope means...in Latin 'expectare', in French 'esperance', same word. And it means, expectare, it means 'to wait for, and expect...'"

itwewin Corner (itwewin is the Cree word which means 'the word' or 'as it is said...')

Fr. John Weckend, Archdiocese of Regina Truth and Reconciliation Healing Committee.

Did you know... Treaty 4 created obligations and duties for the treaty partners, including the settlers (newcomers) who were represented by the Crown. These obligations are called treaty promises. Treaty 4 is "recognized as a solemn, sacred, and lasting agreement that create legally enforceable obligations on both parties" (p.13). First Nations immediately honoured their treaty promises while the Crown (Canada) has yet to completely fulfill its treaty promises made to First Nations people.
