## Regina PRO♥LIFE

The Regina Pro Life Association is pleased to present the pro-life parish study series compiled by the Canadian Centre for Bio-Ethical Reform entitled '**A Christian's Guide to Defending Life in the Womb**'. This excellent series consists of 5 sessions which will be held at St. Martin de Porres parish, 4720 Castle Road, beginning Thursday September 19th. Sessions include a brief spiritual component, a video presentation of about 30 minutes, questions for reflection & discussion and coffee and refreshments.

To register, please contact Jeanine Mann at [manne@sasktel.net](mailto:manne@sasktel.net) This series of videos, featuring some of the brave young voices fighting for our innocent brothers and sisters who are daily killed in the womb, is truly excellent and enlightening. This series will help equip you for this mission.

Although there is no registration fee required, registration is necessary to have the participant's booklets available.

NOTE: This program is not suitable for children under 13 years of age.

## Stewardship Bulletin Bit

*"Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?" James 2:5*  
What is more important – being rich in faith or rich in possessions? Society tells us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first and experience true joy and peace. When we put possessions first, we soon realize we can never have enough and happiness is fleeting. When we put faith over possessions we truly realize it is better to *give than receive*.

## Eradicating the Demand with Technology: One Buyer at a Time

On Monday, September 16 at 11:00 AM, join the Sexual Exploitation Working Group of the Canadian Council of Churches for the second of three webinars!

One of the priorities of the Commission on Justice and Peace Sexual Exploitation Working Group is to educate, advocate, and theologically reflect on the area of sexual exploitation and demand reduction. True justice requires reducing the demand. The demand for paid sexual services is what fuels sex trafficking. Minimize demand: minimize the need for vulnerable individuals to be exploited to meet the demand.

Our guest speaker, Brian Rae, grew up in North Africa where he developed a heart for justice at a young age, inspiring him to pursue a legal career. After passing the bar exams, Brian chose to set aside his legal career to focus on combating sex trafficking through technology and compassionate care. Now based in Victoria, BC, he leads Buyer Resist, a technology organization dedicated to eliminating the demand for sex trafficking. At the heart of Buyer Resist's efforts is an artificial intelligence-powered chatbot that intercepts men who are buying sex and guides them towards recovery from sexual addiction and brokenness.

## Canadian Physicians for Life Annual Conference

The Canadian Physicians for Life invites you to celebrate our 50th year with us at our annual conference, which will take place on Oct. 25-27, 2024, at the Versante Hotel, Richmond.

Our conference is the premier pro-life medical conference in Canada. It offers medical students, residents, physicians, and the wider pro-life community a broad range of seminars, panels, and keynotes designed to inform them about sensitive and emerging issues.

LIMITED scholarships are available to medical students and residents. The scholarship covers conference fees, food, hotel and a travel stipend.

Developments in biotechnology, artificial intelligence, legal doctrine and practice, the social sciences, ethics, and beyond raise challenges to our understanding of the proper role of medicine. Each year, our conference has a theme that focuses on a distinct aspect of humanizing healthcare.

This year, our conference is entitled "We Belong to One Another". We will explore ways to promote belonging and community as an integral part of healthcare.
