

## Resurrection Parish Pre-Authorized (Electronic) Giving

In the spirit of giving to thank the Lord for the many gifts He has bestowed upon us, I/we would like to sign up to have our financial gifts to the parish automatically withdrawn through preauthorized debit (PAD) from my/our chequing account or charged to my/our credit card (CC). I understand this helps the Parish best manage financial contributions. Automatic withdrawal from your chequing account or credit card contributions on a weekly/monthly basis are the most efficient and cost effective way to donate to the Parish.

### **Testimonial:**

A growing number of churches are finding electronic giving programs to be one more means of providing parishioners with an opportunity to be Christian stewards and to be generous givers in their local church. As one church member stated:

“Thanks to the Electronic Giving program at my church, I am able to consistently support the mission and ministry of our church. Before the Electronic Giving program, I would contribute just a few dollars whenever I attended church. Sadly, I spent more money buying coffee in one day than I gave to the church each week! Now, I feel like a full participant in the ministry of the church. The Electronic Giving program has helped me develop my financial discipleship. It’s amazing! I am far more involved and interested in the church since I have made a financial investment in the church!”
