

Due to COVID-19 many plans were derailed this year - including VBS at Resurrection Parish! As an alternative, we're inviting you to hitch a ride on the Rocky Railway VIRTUAL VBS! Discover how Jesus' power pulls us through life's ups and downs!

Each morning during the week of August 10 - 14th, a link to the Virtual VBS will be emailed to participants. Videos will be posted online and can be accessed until September 10th. This allows each family to go at their own pace and to access the Virtual VBS even if they happen to be away from home!

Each family will receive a Track Pack supply kit. It includes a Rocky Railway music CD, a Tracking with Jesus activity booklet and enough sciency-fun gizmos for every registered child\*. You will be notified by email once the Track Packs are ready to be picked up at Resurrection Parish. \*Activities are geared toward kids entering Grades 1 to 5, however, you're welcome to register children of any age who would like their own supplies.

**ALL ABOARD!!**
